LEVEL 3 CERTIFICATE FOR LSPs WORKING WITH DEAF AND DEAFBLIND PEOPLE (NOTETAKING)

Level 3 Certificate for LSPs Working with Deaf and Deafblind People (Notetaking) (LNT3)

QCA Accreditation Number: 500/1687/8

This qualification is the professional qualification for Manual and Electronic Notetakers. It replaces the current qualification at Level 2. It contains knowledge, skills and competences, and professional practice and is suitable for those who provide notes either in handwritten (manual) or typed (electronic) format.

Candidates must achieve all 4 units below for the full qualification. Units T302, L304, and P301 make up a separate qualification (FNT3). Units may be taken separately, but it is recommended that L304 is taken before T302. P302 is the final unit, as it further develops the knowledge and skills acquired in earlier units and applies them in real-life situations which demonstrate that the LSP is 'safe to practise' with regard to competences and professional practice.
